

PORT PERRY 2009 HALF MARATHON/5K

Making Strides to Save Our Planet

CARBON NEUTRAL RACE *A New Standard of Racing*

Why do we Care?

This Eco-Run will provide our runners with a carbon neutral footrace demonstrating to the running community that we can make a difference one light step at a time. This run forges a deep connection between personal health and our planet's health. In our personal quest for good health and clean air, this non-polluting practice will allow us to enjoy the natural high that running brings.

Join Us In Making Race History!
